

St. Louis Ballooning Adventures Terms And Conditions

Hot air ballooning is a very weather sensitive sport. St. Louis Ballooning Adventures and its pilots have a 100% perfect safety record. For safety reasons there are weather limitations on which we fly and anything beyond these limits will cause a cancellation and rescheduling of your flight. Although it may appear to be a nice day for you to go flying, doesn't mean it is. There are many weather conditions, which may cancel your flight. Please let us make this decision, we are experts and certified FAA licensed pilots.

In the event of a cancellation, you MUST reschedule your flight within 10 days. "You don't have to fly within 10 days, just get it rescheduled". On some rare occasions we may cancel the flight on the launch field if changing weather conditions occur.

Should it become necessary that you need to change your flight date, your request must be received at least 24 hours in advance of the original flight date via phone call. If there is less than 24 hours' notice or a no show on your scheduled flight date, your flight will be considered flown and nonrefundable.

To purchase and book your flight there will be a 50% deposit required. Deposit is non-refundable. There are costs involved, even with a cancellation. Flight certificates are valid for 1 year from the date of purchase. Deposits can be made by cash, check, Venmo or credit card (4% credit card fee applies). The balance is due on flight day, no checks will be accepted on this day.

Although your pilot has over 1300 hours as a pilot with a perfect safety record an assumption of risk and release of liability form must be signed by all passengers prior to your flight.

I have read, completely understand without question and agree to the terms and conditions above.
